Pre-Swim Team

Swimmers wishing to participate in this class must be able to swim 15 yards (half way across) unassisted in deep water.

1. Streamlining
 2. Refine Freestyle
 3. Refine Backstroke
 4. Teach Breaststroke
 5. Diving/Starts and Turns
- This class is intended to prepare the swimmer for the Baylor Developmental age group program or a swim team program. However, completion of this class does not guarantee placement in Developmental group.
 - This class is also intended to give swimmers who have had the opportunity to be on a team to improve and refine stroke technique.

Must be age 5 or older
