Scratches:

In the preliminary sessions a swimmer may scratch without notice with no penalty. A swimmer who places in the top 16 in a prelim/final event and does NOT plan to swim in the evening session should scratch with the Administrative Referee within 30 minutes of the announcement of the event's top 16. Notifying the Administrative Referee of scratches is a courtesy and greatly appreciated as it allows for placement of alternates. However, there is no penalty for failing to scratch.

A swimmer who places in the top 16 in a preliminary event and who is eligible to participate in the evening final session must positively check-in with the designed meet official within 30 minutes of the end of his/her preliminary session. Only the swimmer, swimmer's parent or guardian, or coach may perform a positive check-in on behalf of the swimmer. Coaches should periodically check-in swimmers throughout their session.

A swimmer who is not positively checked-in by the cut off time (30 minutes after the end of his/her preliminary session) will be removed from that event in the finals session, an alternate will be placed in the event, and no further changes will be made.

PENALTY:

Any swimmer who positively checks-in and then FAILS TO REPORT TO THE BLOCKS will cause their team to be fined \$25 per instance. All team Fines must be paid by the August CASL Board Meeting with the check made payable to the Chattanooga Area Swim League.

Note:

If there is an open lane at the time of the long whistle calling the swimmers to the blocks, then an available alternate will be placed in the open lane at the discretion of the Meet Referee. Once the decision is made to place the alternate in the open lane, it is declared final and no further changes will be made.

Remember:

In the evening session all swimmers in every age group (including alternates) should report to the Clerk of Course when the event is called so they can be paraded.
