MEET FORMAT:

Individual events – All 10&U events will be Timed Finals. All 11&Over individual events will be Prelims/Finals, except for the 1000 Free, 1650 Free, 11&12 500 Free (which will be swum in its entirety in the prelim session). These Timed Finals will swim fastest to slowest. The fastest heat of the women's 1000 and men's 1650 Free will swim during the Finals session on Sunday night; earlier heats of the women's 1000 and men's 1650 Free will swim in the morning after the conclusion of the preliminaries. Swimmers entered in the 1650 or the 1000 may designate their preference to swim the event in the preliminary session. The top eight swimmers who state no preference shall be seeded and swim in the evening finals.

All preliminaries will be swum in dual 8 lane courses with courses divided into Women's and Men's courses. Finals will swim in a single 8-lane course. **11-12 and 13-14 events will each have one final heat at night (the top 8 finishers from prelims). Senior events will swim final and consolation final heats (top 16 prelims finishers). All events 400 yards and longer will be deck-seeded with positive check-in by 8:30 AM.**

During the Preliminary Session, the **400 IM** will be swum in the following order: the fastest 3 heats circle seeded in 13-14, then the fastest 3 heats of Seniors circle seeded. All remaining heats of 13&Over will swim combined fastest to slowest. The **500 Freestyle** will be swum in similar fashion, but with Senior preceding 13-14 in event order.

Relays will be deck seeded Timed Finals. Teams are limited to two relay entries in each relay event. Relay cards will be distributed in coaches' packets (available Thursday night). **11 & Up relay cards will constitute positive check-in and must be completely and properly filled out and submitted to Clerk of Course by 5:00PM on the day of the event in order for the relay team to swim.** All 10&U Relays will swim at the end of prelims on Friday and Sunday, and swim slowest to fastest; these cards must be submitted by 9:00AM on their respective days.

All 11& Up Relays will swim during the finals sessions on Friday and Saturday. The top 8 seeds of 11-12 and 13-14 Relays, plus the Top 16 Senior Relays, will be in the championship course during finals in the regular event order; the 2 heats of Senior Relays will be swum slowest to fastest. Additional heats of relays will be swum in the second course during finals in regular event order, fastest to slowest.

ELIGIBILITY:

Age groups are: 10&U, 11-12, 13-14, and Senior. **Age on the first day of the meet determines the age group for the entire meet.** All swimmers shall be registered with Southeastern Swimming through United States Swimming, Inc., and registration numbers must be listed on the entry form. **No entries will be accepted without current registration numbers.** The 2014 - 15 Southeastern Age Group Short Course Yards Time Standards will be used as a qualifying time for all individual events. There will be no time standards for relays. Qualifying times must have been achieved by the entry deadline. Faster times achieved following the deadline will not be accepted in place of times already entered. This includes relays. A Southeastern-affiliated swimmer may compete as a member of a relay team whether or not they qualify for any individual events. There will be NO on-deck USA Swimming Registration available at the meet.

ENTRIES:

A swimmer may enter and swim **three individual events per day** and no more than **seven individual events in the meet**. A swimmer entered in the maximum number of events **may not scratch one event to enter another event, except in cases involving a mistaken entry in the wrong age group that may be corrected by the Meet Referee**. Time Trial events count as one of the three events allowed on a given day, but do not count as one of the seven individual events in the meet. Entries must be legible and complete. Entry forms **must include** the swimmer's first and last name, age, USA Swimming registration number and yard times for each individual event. Relay times should be listed for each entered relay. **All potential relay participants must be entered in the meet by Friday, February 27, at 9:00 AM.**

Coaches' error on entry to championships entry— wrong event or age group, will be at the discretion of the meet referee to correct.

Teams who have HYTEK'S MEET MANAGER should submit their entries electronically and provide a hard copy printout for proof reading.
