LATE ENTRIES:

Late entries are for first time qualifiers who achieved the qualifying time after the entry deadline. This is not a procedure to update times. You may submit an updated time for a swim that upgrades a swim from a bonus cut to a regular standard cut; this will allow for an additional bonus entry. Late entries will be accepted according to the Deadline and Meet Summary above. New qualifiers who are NOT already in the meet are to enter using OME. If a swimmer is already entered in the meet and has achieved an additional qualifying time or upgrading from a bonus to a qualifying time standard, please send an email to the entry coordinator listed above.

RULES AND PROCEDURES

MEET REFEREE and MEET COMMITTEE:

The Meet Referee will be in charge of the meet. Any questions regarding the conduct of the meet should be made directly to that person. The NCSA Championships Meet Committee and/or Meet Referee may find it necessary to change some meet variables in order to provide the best possible situations for the athletes; including, but not limited to start times, distance event procedures, weather related disruptions, time trial locations, session formats; etc. A General Meeting will be held at the date and time listed in the Deadline and Meet Summary above. All athletes must be represented by a coach or representative. Necessary coaches meetings will be called as needed during the competition and communicated via email.

RULES:

USA Swimming Technical Rules and National Championship procedures will govern. Meet entry times must be designated LCM for long course meters, SCY for yards, or SCM for short course meters. The National Championship scratch procedures will be used for prelims and finals. In order, there will be E, D, C, B, and A Finals (5 heats) for all events, except the 100 IM, 1000 and 1650 free, and all relays. Positive check-in for the 1000 and 1650 freestyle events is required by each day's scratch deadline to be seeded into the event.

USA Swimming Rules:

- At a sanctioned competitive event, USA Swimming athlete members must be under the supervision of a USA Swimming member coach during warm-up, competition, and warm-down.
- Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.
- Use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, rest rooms, or locker rooms.
- Deck changes are prohibited.
- Operation of a drone, or any other flying apparatus, is prohibited over the venue (pools, athlete/coach areas, spectator areas and open ceiling locker rooms) any time athletes, coaches, officials and/or spectators are present. Exceptions may be granted with prior written approval by the Vice President of Program Operations.
- There will be no on-deck registrations accepted at this meet.

SCRATCH RULE:

Summarized from USA Swimming Rule 207.11.6:

A swimmer, after the heats have been seeded, who fails to scratch and 'no shows' a preliminary or timed final event, for which the swimmer has been positively checked in, will be barred from all further individual and relay events of that day (application of penalty shall pertain to the order in which the events/heats are swum, not the numerical order of the events). Additionally, that swimmer must positive check in for all subsequent individual events prior to the close of the scratch box for that day's events. A swimmer who fails to scratch and 'no shows' a final event shall be barred from further competition for the remainder of the meet.

DISTANCE EVENTS:

The Women's and Men's 1000 and 1650 freestyle will be conducted on a timed finals basis. All heats will be seeded and swim slowest to fastest in two pools. Saturday the Women's and Men's 1650 will be scheduled so that the second fastest heat of each will finish at the start of Saturday evening finals warm-up. The fastest heat of Event 45, Women's 1650, will swim after the A Final of Event 38, Men's 50 back. The fastest heat of Event 46, Men's 1650, will swim after the A final of Event 42, Men's 50 free. Swimmers must provide their own timers and counters for these events.

RELAYS:

A team may enter no more than two relays in each relay event. Relays must be pre-entered and relay times must be provable by team or aggregate. A swimmer may be used only once to prove a relay in each relay event. Relay only swimmers must be listed on the team entry. Aggregate relays may be proven by any four (4) swimmers ELIGIBLE to swim (must be 18 & under in the qualifying window), but any four (4) swimmers may swim on the day of the event. Meet management and/or the meet referee reserve the right to ask for coach credential display and/or deny deck access if the coach does not comply or card is no longer valid/current.
