Once 30 days have passed, then proofs will no longer be accepted, and fines must be paid. Times may be proved and/or fines may be paid at the meet venue. **Please note that a team will not be allowed to participate in future TISCA Championship Swim Meets until all outstanding fines have been paid.** Official meet results are defined as results achieved in high school competition or meets such as USA Swimming, AAU, or Y meets. Incorporation of Paralympic Athletes into the Tennessee State High School Swimming and Diving Championship Meet

Philosophy and Rationale:

The Tennessee High School Swimming and Diving Championship Meet is the pinnacle interscholastic competition for swimmers and divers in the State. As such, participation requires a level of competitive competence. Such competence in swimming is shown by equaling or bettering established qualifying time standards in each event. Competence in diving requires successful completion of at least one 11-dive competition prior to the State Meet.

The TISCA body has determined that providing an avenue for disability athletes to participate in the State Championship Meet has benefits to not only the disability athletes but to the organization and its members. However, in order to maintain the competitive philosophy of the meet, disability athletes must meet certain qualifying criteria. In other words: ***Participation by disability athletes shall not be awarded merely because one has a disability. Rather, the right to participate in the State Championship Meet shall be awarded based on the performance of a given standard which takes into account an athlete's disability.***

Logistics

To participate in the Tennessee State High School Championship Swimming competition, a disability athlete shall:

1. Show proof of USA Paralympic Sports Class Impairment

Such classification is a formal procedure carried out by the USA Paralympic Committee. TISCA is not able to nor responsible for providing such classification. Simply stating that one has a disability is not sufficient. Only USA Paralympic Classification certification will be accepted. Provisional sport classification documented by US Paralympics will be accepted, as will a final National Classification.

To apply for Certification

1. Download the "Gateway to Gold" app and submit a video according to the app.

<http://www.teamusa.org/US-Paralympics/Resources/Download-The-US-Paralympics-App>

2. Submit an MDS form to Sherrice.Fox@usoc.org

US Paralympics will then assign a provisional sport classification. Actual participation and further evaluation steps at a recognized US Paralympic Meet is required to be assigned a formal National Certification. Events can be found at <http://www.teamusa.org/us-paralympics/sports/swimming/events>

2. Within the current high school season (ie: beginning on Sept 1), meet the current Can-Am Swimming Meet time standards for his/her disability category in the course distance in which the event was swum. Proof of time is required prior to State competition. The "current time standard" will be considered to be the Can-AM Meet standards posted on the USA Paralympic website as of September 1 prior to the TISCA State Championship in question. To access these standards go to: <http://www.teamusa.org/us-paralympics/sports/swimming/events> > **Additional Information**

3. Meet all other TISCA eligibility requirements, including Championship Meet Entry requirements.

Events

Qualified disability swimmers may enter the 50 and/or 100-yard freestyle events at the meet for which they qualify. They will be seeded by time along with able-bodied swimmers in the competition. There will be no separate awards or scoring for disability events.

Accommodations

Prior to the meet, coaches and athletes are responsible for alerting the meet host and referee as to any accommodations which may be required. Providing specialized accommodations (for example, a visually impaired swimmer needing a tapper) is the responsibility of the athlete and/or coach.

COMPETITORS WITH DISABILITIES:

Coaches and/or athletes are responsible to notify the meet director by email, meetentries@tnaquatics.com of any accommodation requests.
