What else is expected during the season?

Baylor Swim Club will host five swim meets during the 2024-2025 season. These meets are staffed by our family volunteers and allow for the club to not require any parental fundraising. Baylor Swim Club has the reputation of running high quality meets and providing a great hospitality menu. In order to run things smoothly it takes all of our parents working in some capacity at the meets. Each family is expected to volunteer at all home competitions. Volunteer sign-up for meets is done online and there are many choices of places and times to volunteer. See the 2024-2025 short course meet schedule at the link below.
